WELCOME
We are a Title I (Reading & Math) School

Welcome to Skiatook Public Schools! We are happy you chose our school for your child. We are excited about our school year, and we look forward to working with you and your child.

It is our belief that the school and home must work together for the success of every child. Your child will greatly benefit when there is a meaningful exchange of information between home and school. This handbook will serve as one means of communication. On the following pages, you will find pertinent information regarding our school, an explanation of services, and an outline of school policies and regulations. Please read the handbook and share the information with your child.

Parent/teacher notes, meetings and phone calls also serve as means of communication between home and school. We encourage you to attend scheduled meetings and to stay involved and informed in the education of your child.

If you have any questions, feel free to contact your child’s teacher, the school office, or the principal. We are always available to clarify any school matter. We look forward to a great year ahead.

Welcome to Marrs
“Helping All Students Succeed”

Accelerated Reader Program

The Accelerated Reader Program helps students develop a love of reading, become active readers who comprehend what they’ve read, and master skills that can make them a better reader. Students check out books on their reading level from the school library. A star on the spine of the book indicates the book is on the AR program. After reading the book, the student takes a computerized test in the computer lab or the classroom. The test encourages students to be more responsible for what they have read and measures their level of comprehension. The classroom teacher sets a goal for each student. To reach their goals, students must accumulate points by scoring 70% or above on their book tests. Marrs utilizes various incentives throughout the year to encourage students to reach their reading goals.

Arrival

School doors will open for Marrs students at 7:30 a.m. Marrs Staff will be on duty at 7:30 a.m. Children are not to arrive at school before that time. Children on the school grounds before 7:30 a.m. will be unattended and will not be the responsibility of the school.

Arrival/Departure Areas

Pre-Kindergarten - First Grade students are to be dropped off in first lane “Moving Traffic Lane” only in front parking area. Please use only the farthest right lane. This will keep children from walking in front of other cars. Areas not to be used for dropping off or picking up children are:

Osage Street (Front of School)

> > > Moving Traffic Only - Pull into this lane from parking areas > > >
> > > Middle Lane - Pre-K dismissal only. Moving traffic only > > >
> > > Moving Traffic Only - Pick student up at curb and move on> > >

School Building

HANDICAP ZONE, unless you qualify for handicap parking
CHESTNUT STREET (north of the school building)
BUS LOOP

When you pick up your child:
1. Place your child’s name tag in your front car window or on the sun visor and pull forward as far as possible in the student pick up lane.
2. Each student will be given two name tags. Anyone picking up your child must have a name tag for their window. Additional name tags can be requested from the office.
3. Any car without a name tag will need to park, and the parent will need to walk to the office with photo ID to get a tag.
4. All Pre-K students will be released at 2:00 from the main entrance. Pre-K will use lane 2 (moving lane).
All Kindergarten and 1st grade will be released at 2:50. Kindergarten and 1st grade will use lane 1. See diagram above.
5. Marrs staff members will load students in their cars from the student loading zone on the passenger side only.
6. Parents who want to park and walk up to pick up their child must pull into a parking space, bring their child’s name tag, use the crosswalks, go to the farthest north entrance door, and show the teacher at the door their child’s name tag. Any parent without a student name tag will need to go to the office with a photo ID to get a tag.

Pre-K Parents please be prompt in picking up your child at the appropriate time. This will ensure that we have room in parking lot for kindergarten and first grade dismissal. If someone else will be picking up your child, please contact the office. To ensure their safety, all children are to be picked up in front of the school building. Children being picked up before the regular dismissal time must be checked out through the school office.

If you are picking up another person's child, the child's parent must contact the office prior to the end of the day. If it will be an everyday arrangement, then a written notice must be on file in the office.

**Attendance Policy**

According to the STATE LAW ON SCHOOL ATTENDANCE (70-10-105) it is unlawful for a parent of a child age 5 to 18 to neglect or refuse to cause or compel such child to attend some school and comply with its rules. Failure to do so can result in court action.

Good attendance is essential to success in school. Poor attendance habits create problems at school, and at home. Therefore, as established by local board policy, students entering the school system during a semester will be required to provide an attendance record from their previous school to be applied to this policy.

**Student Absences**

School law (70-10-106) also states that (1) a full and complete attendance record is to be kept by the school, (2) parents shall notify the school concerning the causes of a school absence, and (3) unless so notified the school shall "attempt" to notify the parent of the absence.

A student may not miss more than 10 days of school per semester. On the eleventh absence in a semester, the student will receive a failing grade in that class. Please refer to the Marrs attendance procedures for the “Appeal” options. A written procedure is available in each site’s attendance school office/website as needed.

The only absence that will not count toward the student’s overall absences are school-sponsored activities.

All absences should be verified by parent contact on the day(s) of absence. Absences can be verified by calling 918-396-2295. Parents can call any time and are encouraged to leave a voice mail if necessary. If a parent/guardian does not call within 24 hours of the absence, the absence is considered unexcused.

Parents and students can expect to be notified of absences through the following actions:
- School Messenger phone calls
- Reminder notes delivered to students upon their return to school
- Attendance conferences with assistant principal as needed.
- Letters of notification at 4 absences
- Letters requesting a conference at 6 absences
- Certified letter for notice of excessive absences and referral to attend Tulsa County Truancy Board
- Notification to the district attorney’s office for violation of Compulsory Education Law

Absence Codes

The following absences will count toward the 10 absences allowed each semester:

AE-Explained Absences

Absences are coded as explained absences once a parent/guardian contacts the school to approve the absence for their student. Parents must contact the attendance office within 24 hours of the absence. School work requests will only be granted if the student will be out for three or more days due to illness.

AU—Unexcused Absence

Unexcused absences are those not documented by proper information regarding the student or those absences in which a parent or guardian does not contact the attendance office. Excessive absences or failure to comply with the proper procedure can result in a referral to the county truancy board. Absences due to unexcused absences are defined as absence from school, a class or an assigned area without the permission of the school or a parent/guardian. A student will not be permitted to make up assignments or tests due to an unexcused absence related to truancy. Detentions, Saturday school, In-house Placement or out-of-school suspension may be assigned as a disciplinary action for unexcused absences.

EE-Early Exit - Any student who is checked out between 2:05-2:50 will be considered tardy.

Repeated absences can lead to a referral to the county truancy board.

The following absences will not count toward the 10 absences allowed each semester:

EA—Activity absence:

Activity absences are documented through the attendance office and pertain to school-sponsored activities, such as field trips, competitions, and sporting events. The maximum number of days for activity absences is ten per year.

Key Points

a) One-half day's absence will be recorded if a student misses 45 minutes or more per half day.
b) Students who arrive to school after 8:45 will be counted half day absent.
c) Students who leave school before 8:45 will be counted absent a full day.
d) Students who arrive to school after 1:20 will be counted absent a full day.
e) Perfect attendance is defined as no absences, tardies or early check outs.
f) Students who are not in attendance during the school day will not be allowed to attend events which take place after regular school hours.
g) Students will be dropped from enrollment when absences exceed 10 days in a row. They must be reenrolled upon return to school.

Attendance Appeals Procedure

Exceptions to attendance policies must have the approval of the principal and/or attendance appeals committee. Students missing more than 10 days must make an attendance appeal before grades will be given. All absences after the 10th absence must be excused as defined in sections A-G of the appeal procedure and an excuse for the absence must be on file with the attendance officer. School officials determine whether absences will be excused based on the District Attendance Policy. This policy states that absences from school may be excused for the following reasons:

A. **Personal illness** - When attendance in school would endanger the health of others - verified by a note from a doctor, dentist of the health department.

B. **Death or serious illness** - In the immediate family, verified by parents. Immediate family is defined as parent, sister, brother, grandparent, or other relative residing in the home.

C. **Recognized religious holidays** - Observed by their faith, verified by parents and/or church officials. Church officials should give advance notice to the school’s administration prior to the religious event.

D. **Legal/court appearance** - When mandated by order of government agencies, including pre-induction physical examinations for service in the armed forces.

E. **Hazardous conditions** - When conditions render attendance impossible or hazardous to student health or safety.

F. **Voting** - When a student is registering to vote or voting in a public election (limited to one day).

G. **Administrative approval** - Verified by principal. A written request must be made to an administrator prior to an absence for administrative absences to be granted.

All attendance appeals must be made within seven (7) calendar days of the end of the semester. The attendance appeals committee will consist of an administrator, the guidance counselor, and a designated faculty member.

Any student who is checked out between 2:05-2:50 will be considered tardy.

**Tardy Policy**

The tardy bell rings at 8:00am. Any student arriving after that time will need to check in at the office and obtain an admit slip. A student is tardy if not in the classroom when the bell rings. Parents will not be permitted to walk their child to class when tardy. It is important for students to arrive at school on time so the class can begin promptly. If students arrive late, they start the day already behind their peers. Class is in session and this is disruptive to the teaching/learning process.
Tardy Consequences

1st Tardy   No disciplinary action taken.
2nd Tardy   No disciplinary action taken.
3rd Tardy   Warning letter will be sent home.
4th Tardy   No disciplinary action taken per nine weeks.
5th Tardy   Parent meeting with administration.
6th Tardy   Student will serve 1 hour after school detention.
7th Tardy   Student will serve 1 hour after school detention.
8th Tardy   Student will serve 1 hour after school detention.
9th Tardy   Student will serve 2 hours of In School Placement (ISP).
10th Tardy  Student will serve 2 hours of In School Placement (ISP).

Any student who is checked out between 2:05-2:50 will be considered tardy.

Parents will be responsible for arranging transportation for after-school detention. Students who do not attend their assigned detention will be reassigned for the following week. If they do not attend this, they will be given 1 day suspension. If you have questions about detention, please contact the office.

Make Up Work
If a student is absent and the absence is either excused or explained, then the student will have one day for each day absent to make up the work. For example, if a child is absent on Monday and Tuesday they will have two days (Wednesday and Thursday) to do the work after returning to school, making the work due on Friday. If the work is one day late, the most credit it will receive is 50%. If the work is two or more days late, it will receive a score of 0%.

Bicycles

Kindergarten students are not allowed to ride bikes to school. We recommend that first graders not ride bikes to school. Due to the heavy flow of traffic, bicycles are only recommended for those students who are very experienced riders. Bicycles must be walked on the school grounds and then placed in the stalls provided. Riding "double" is not permitted at any time. Bikes should be equipped with baskets for books and backpacks. Students are encouraged to wear proper safety gear. The Skiatook School System is not responsible for any bike. A bike rack is provided near the bus loop.

Birthday Parties and Birthday Snacks

Please do not ask the classroom teacher to deliver party invitations unless the entire class is invited, such as all the boys or all the girls or all boys and girls. The last Friday of each month will be the day parents/guardians may bring snacks to celebrate student birthdays. All snacks must be store bought with ingredients listed on items.

Breakfast

Breakfast is served in the Marrs Cafeteria from 7:30-7:55. A student breakfast may be purchased on a
daily basis or charged to the student’s account. Breakfast will not be served to students who arrive after 7:55 unless approved by the office.

**Bus Transportation**

A student who rides the bus is expected to observe the same behavior on the bus as in the classroom. The driver should be treated with the same level of respect as a teacher. If a student changes buses or is only riding for one day, the student needs a permission slip from the office.

*Pre-K is not mandatory, therefore bus transportation is not provided for our Pre-K students.*

**Bus Discipline Procedures**

1. Upon receiving the first written discipline referral, student will be conference with, parents will be contacted, and student will be placed on probation.
2. On the second written discipline referral in a year, the student will be conference with, parents will be contacted, and student will be suspended from riding the bus for 1 day.
3. On the third written discipline referral in a year, student will be conference with, parents will be contacted, and student will be suspended from riding the bus for 3 days.
4. On the fourth written discipline referral in a year, student will be conference with, parents contacted, and student will be suspended from riding the bus for 5 days.
5. On the fifth written discipline referral in a year, student will be conference with, parents contacted, and student will be suspended from riding the bus for 10 days.
6. On the sixth written discipline referral in a year, student will be conference with, parents contacted, and student will be suspended from riding the bus for the remainder of the school year.

**Care of School Property**

We encourage all students to be proud of our school, and we feel it is the duty of each student to respect school property. Students who deface or lose school property shall be required to pay for the damage or loss.

**Check Out**

Students are not permitted to leave the school grounds by themselves at any time during the school day. If a student is to leave before the end of the school day, he/she will need to be checked out through the office. Only those people that are listed on the student’s enrollment sheet will be allowed to take a child from school. Photo Identification will be required. Students will not be called out of class until they have been signed out in the office. Please do not ask that we call your child out before you arrive. Students should check back in through the office if they return to school before the end of the day. **Students will not be called to the office for check out after 2:10 for Pre-k students and after 2:40 for kindergarten and 1st grade.**

**Class Parties**

Two all-school class parties are held each year. Only individuals listed on students enrollment form will be allowed to attend the parties. We will not be able to add individuals the day of the parties. All individuals will need to bring ID and check in before going to the class room for parties. Parents should make arrangements for the care of preschoolers during the time of class parties. **Only sealed, store bought items will be allowed. We encourage healthy snacks that follow the State Department’s Healthy Kid Coalition guidelines.**
Mrs. Amy Schuler serves two roles for Marrs Elementary which are assistant principal and school counselor. Below are our Marrs Elementary core beliefs and information regarding our school counseling services. If you have any questions regarding a situation where Mrs. Schuler can offer support please do not hesitate to contact Mrs. Schuler by phone 918-396-2295 ext 2004 or by email aschuler@skiatookschools.org

**Counselor Vision Statement:**
The school counseling program at Marrs Elementary will work collaboratively with all stakeholders to ensure all students have the opportunity to rise to high levels of success in social/emotional needs, academics and career knowledge.

**Counselor Mission Statement:**
The mission of Marrs Elementary school counseling program is to implement research based curriculum that encourages student achievement and growth in the areas of social and emotional needs, academic success, and career knowledge. Through providing support to teachers in the classroom, and a home connection for parents, we can work collaboratively as a community to instill a lifelong love of learning in all students.

**Counselor Philosophy:**
Marrs Elementary believes that all students learn differently, but they all CAN learn. We believe that ALL means ALL. Instruction should be differentiated in order to meet the developmental needs and learning styles of all students. Marrs believes that it is the school counselor’s role to work collaboratively with teachers, students, and parents to support the needs of each student. The school counselor should work to ensure that a student has the same access to a successful educational day, and future success as every other student. The guidance program will assist students in overcoming barriers to their success such as personal, social, environmental, and behavioral. It is vital to the program and students’ success that the parents are invested in their
child’s education. The program will encourage parental involvement both at home and at school. The guidance program will support the overall educational program at Marrs, while encouraging students to be success minded in all aspects of life. A certified school counselor should plan, implement, and manage the guidance program with the assistance of all stakeholders. Evaluation of the program’s success should come from those stakeholders communicating on data gathered academically, socially, and behaviorally.

**Cross Guards**

We utilize all of our resources in order to provide additional safety measures to ensure the safety of all students. Below are the times and areas we will have a staff member providing cross guard duties. Please make sure that you take advantage of these areas for the safety of all students.

**Morning cross guard position from 7:30-8:00:**
We will have only one cross guard at our west cross walk between our building and the Methodist church each morning. Parents/Guardians may park in the Methodist Church parking lot and walk their child to the building.

**After school cross guard will be staffed between 2:50-3:10 at the below positions:**

2. Crosswalk at W. Chestnut St. and Osage St.

If your child cannot attend on the day scheduled, you will need to call the office. If your child does not attend detention, or you do not contact us, then he/she will be rescheduled. If your child still does not attend, he/she may be suspended from school.

**Discipline Policy**

The school's primary goal is to educate, not discipline. However, when the behavior of an individual student comes in conflict with the rights of others, corrective actions are necessary for the benefit of the individual and the school.

A conduct report will be sent home with children when the teacher feels the parent needs to help with discipline. Parents then need to sign the conduct report and return to the teacher. If a student is sent to the office, the parent will receive a discipline report. Parents are to sign the discipline report and return it to the office.

Skiatook Public Schools, in order to provide a quality education for all students, will not tolerate disruptive acts that would interfere with the tranquility of the school, the safety of the students or damage of school property. Students, while enrolled in Skiatook Public Schools, shall be under the supervision of and accountable to school personnel. The supervision shall include going to and coming from educational activities.

The goal of the disciplinary policy is to correct the misconduct of the individual and to promote adherence by that student, and by other students, to the policies and regulations of our school district.

**Behavioral Infractions**

The following are examples of infractions that may result in disciplinary action, in-school suspension, out of school suspension or expulsion:

1. Violations of attendance procedures
2. Possession or use of tobacco
3. Bus misconduct
4. Non-compliance with dress code
5. Chewing gum during school hours on school property
6. Physical abuse, verbal abuse, threat or disrespect toward a teacher or school employee
may result in automatic suspension.
7. Destruction of property, possession of missing or stolen property taken during school activities
8. Violation of law - possession of dangerous or deadly weapons, live ammunition, possession or use of drugs, counterfeit drugs, alcohol, theft, etc., will warrant automatic suspension.
9. Disruption of the normal operation of school
10. Violation of closed campus
11. Truancy

**Grading**

Students will have a checklist of skills that are to be mastered during the school year. A portfolio of each child’s work is kept on file. Parent/teacher conferences are scheduled periodically through the year to keep you informed of your child’s progress. At the end of each nine weeks, a report card is given to parents of each student. The checklist includes student attendance, progress in school subjects, skills mastered, skills being worked on, personal and social characteristics, work and study habits. Parents may request a conference with their child's teacher, if necessary. A cooperative effort between school and home is necessary in helping each child reach his/her full potential.

All teachers in Pre-K, Kindergarten, and 1st grade will also use the following system for grading. Grading scale is as follows:

- S – Successful on a consistent basis/Mastery
- P – Progressing but not yet mastered
- H – Having difficulty with skills

Marrs students must master 80% of the skills listed on the checklist in the areas of reading, language arts and math. Teachers must be given twenty-four (24) hours notice when requesting student progress. Fluency skills must be mastered at a level of 90%.

**Remediation**

Students working below grade level may require remediation during the school year. When available, we will provide tutoring, one-on-one with an assistant, extra computer lab time, Response to Intervention (RTI) and any additional instruction that may be necessary for a student to achieve grade level functioning. Every effort will be made to help the student remedy the problem before retention is considered.

**Retention Policies**
If the reading deficiency of a student, as identified based on assessments administered as provided for in subsection B of this section, is not remedied by the end of third grade, as demonstrated by scoring at the unsatisfactory level on the reading portion of the third-grade criterion-referenced test administered pursuant to Section 1210.508 of this title, the student shall be retained in the third grade.

Pursuant to 70 O.S., Section 24-114.1, as amended, whenever a teacher or teachers recommend that a student be retained at the present grade level or not passed in a course, the parent or guardian, if dissatisfied with the recommendation, may appeal the decision by complying with the district's appeal process. The parent may prepare a written statement to be placed in and become a part of the permanent record of the student stating the reason(s) for disagreeing with the decision of the school.

Strong supportive evidence must be presented to the student and parent regarding retention. This evidence is based on:
1. **NWEA Map Assessment** an computer adaptive achievement test in reading and math.
2. **Attendance** (excessive absences can result in retention).
3. **Reading below grade level** Refer to Reading Sufficiency Act in this handbook.
4. **Common Formative Assessment (CFA)** which actually covers the subject matter taught to the student.

The student and the parent must be made aware of the possibility of the student's impending retention. Any student in danger of being retained shall be notified at the beginning of the 4th 9 week of school that his/her performance is insufficient. The student's parents will be mailed a written notice at that time. The school staff will make every effort to help the student improve his/her academic standing.

The committee will evaluate the progress of the child and form a recommendation to be presented to the parent. The criteria to be used in the evaluation include:
a) **Absences** - A student who has in excess of **twenty (20) absences** in a school year can be retained.
b) **NWEA Map Assessment, Literacy First data, and common formative assessment (CFA)** in reading and math.
c) **Classroom performance**

**EXEMPTION:** Any student suffering from a long-term illness or an accident that requires long term recovery will not be subject to this retention policy. The parent will be responsible to notify the school office regarding such circumstances and provide medical documentation. If necessary, the student may be placed on a homebound program.

**Transitional Placement - Transitional First (T-1)**
The Transitional First Grade program, known as T-1, is a half-step between Kindergarten and 1st grade. Skills begin at the Kindergarten, second semester level. Students are placed in first grade the following year.

**Transitional Placement - Transitional Second (T-2)**
The Transitional Second Grade program, known as T-2, is a half-step between 1st and 2nd grades. Skills begin at the first grade, second semester level. Students will use the internet according to the Skiatook Schools Internet Usage Policy. Filters are in place to prevent inappropriate websites from being accessible.

**Library**

Kindergarten and 1st grade students begin checking out books in the first nine weeks of school. Pre-K students begin checking out books the second semester of school. In the event a library book is lost or damaged beyond repair, the student must pay the replacement cost before more library books can be checked out. There are no overdue fines for late books at Marrs. Parents of Marrs students can sign up for circulation privileges at the Marrs Library. There is a parent resource section in the Library. You may check these books out.

**Lost & Found**

All items lost or found should be reported to the school office immediately. To help eliminate confusion, children's coats, sweaters, ball gloves, caps, etc., should be name-marked for proper identification. Such markings will aid children in finding their lost items or in getting items returned to them.

A "Lost and Found" area is provided for all items except watches, rings, necklaces, glasses, purses, etc., which will be kept in the school office. Please check the Lost and Found periodically. The school will not accept responsibility for lost articles placed into the lost and found area. All unclaimed items are donated at the end of the school year.

**Messages for Students**

Messages for Pre-K will be giving at 2:00 p.m. Messages for kindergarten through 1st grade will be given at 2:30 p.m. We require a note to the child's teacher regarding any changes in the child's after-school routine. Any after-school instructions or urgent messages for students should be left with the school secretary BEFORE 2:00. Messages called in after 2:30 are not guaranteed to reach your child before school is dismissed.

**Notes Required from Parents**

We realize that there are some students who have physical care needs that dictate:

a) Physical activities be restricted for short periods of time, limited P.E. participation or remaining inside during recess. These notes are good for one week only.

b) Extra restroom privileges.

c) Medical Problems.

Other reasons requiring a note of explanation from parents are:

a) Change in address, phone, place of employment, child's babysitter.

b) After-school instructions, such as child is to go somewhere different after school, ride a different bus, or someone else is picking him/her up.

  - If a student is sent home for head lice they are expected to receive a head lice treatment, have nits removed and return to school the next morning. Parents will be required to be present during the follow up head check. If no live lice are found, the student may return to class. The student will be rechecked within 7-10 days if there are still nits present. The parent will be informed that the nits will need removed to prevent re-infestation.

- **Pink Eye (Conjunctivitis)**
  - Any discharge noted from the students eyes will result in the student being sent home for the day. To return to school they must have had 24 hours of treatment or present a note from the attending physician state the diseased in no longer contagious.

**More information on Illness** - See district policy on pages 41-44 of this handbook.

When a child becomes too ill to remain in class, the parent will be contacted. **For this reason, it is most important that the school office be notified immediately of any change in phone numbers or emergency contact information.** We cannot allow students who are ill to remain at school.

Our facilities for children's care are limited. Please make arrangements to have your child picked up promptly and taken home for adequate care.

**Peanut Allergies**
We have children with peanut allergies so Marrs is now a reduced-peanut facility. We strongly encourage parents to not send peanut product to school with their children, as it could cause a life threatening reaction in some of our students. Please do not send anything made with peanut products to the school.

Two parent conference dates are scheduled during the school year, one per semester. A parent may also request a conference at anytime by contacting the teacher or school office to schedule an appointment.

**Parents/Visitors**

Visitors will not be permitted in the halls before 8:10 am or between 2:20 pm and 3:10pm due to the amount of student traffic during these times. Visits to the classroom are not permitted while a teacher has students or on the playground.

Classes begin promptly at 8:00 a.m. Teachers are not available to visit with parents/visitors after that time. When a visit with the teacher is necessary, we ask that all parents exercise courtesy by visiting between 7:45-8:00 a.m., after 3:10 p.m., or by scheduling an appointment with the teacher. If you need to visit with a teacher before school, please report to the office and the teacher will be called down.

Placement of Students

Room placement is made by the building administrators in collaboration with teachers and special education service personnel. Some factors considered in placement are social traits, work habits, student's ability and achievement, comments by special services, a balanced classroom and recommendations of teachers. Parents are encouraged to provide input into the type of classroom environment that their child would do best in, which will also be taken into consideration.

After careful review of the information on each child, placement is made with a teacher who will provide the best opportunity for learning. Our staff of teachers is highly qualified and demonstrates the utmost concern for the well being of our students.

Playground/School Rules

Students are expected to obey all safety rules and regulations and listen to all teachers and assistants on duty. Each student will receive a copy of the playground/school rules at the beginning of the school year.

Pre-K All Day Program

Enrollment in our Pre-K program is limited. According to state law, class sizes must be no more than 20 students per class. Children will be enrolled on a first-come, first-served basis. When classes become full, children will be placed on a waiting list. This is your child first introduction to school. Regular attendance and punctuality will help your child be successful. Students who miss in excess of 20 days, without good reason, may be dropped from the preschool program, and a child on the waiting list will be contacted to fill the opening.

Pre-K Eligibility

Children who will be 4 years old on or before September 1, 2018 and live in the Skiatook School District boundaries are eligible for our free full day preschool program.

Pre-K Toilet Training

Each child must be completely toilet trained by the first day of school. No exceptions. The child must be able to attend to hi/her bathroom needs. Pull-ups are considered diapers and are not allowed. Children with pants that are we/soiled on a regular basis will be considered not fully toilet trained. If a student soils their clothing due to a bowel movement and is unsuccessful in cleaning themselves, a parent will be contacted to return to school to clean their child. We completely understand that accidents happen but if a child is habitually having potty problems the situation will have to be reviewed by teacher and administration.

*Please have a clean change of clothes in the students backpack at all times.
Pre-K Program

We offer our students a wide variety of educational and social opportunities to experience that include many hands-on experiences. We promote the wellness and safety of each child in a safe and secure environment while fostering their social, emotional, cognitive, physical, and creative development. We hope that these experiences help prepare each student for the transition to Kindergarten.

Resource Officer

The role and responsibility of the school resource officer is to provide safety and security for all students and staff. Our resource officer will assist the administration in establishing and/or critiquing safety procedures within the school district. He/She will be visible at each school on a daily basis and will be available to assist students, parents and staff at any time.

School Messenger

This program is designed to call parents with important messages and to let you know about coming activities.

Severe Weather Procedure

School closings due to severe weather will be announced as soon as a decision is made. Sometimes this is on short notice for working parents, but we do not want to jeopardize the safety of our students. Please check your local TV/radio station for school closings. Our School Messenger system will also send out a message to parents regarding school closing. In the event buses cannot run regular routes, ice routes will also be announced.

Students are not to bring items to school to play with or for Show and Tell except on days designated by the classroom teacher. All information must be COMPLETELY filled out to process applications. All information requested is necessary to process the form, and any information not given will delay the student from being approved for free/reduced meals. If your child was eligible for meals last year, you must complete a new application for this school year.

If your child may be eligible for benefits, but does not intend to participate in the programs at this time, we ask that you complete and return the application. Skiatook Public Schools receive financial assistance from various state and federal programs based on the number of eligible students that are enrolled in the district. All information is kept confidential as required by federal regulations. You can pick up forms in the cafeteria or in the Main Office.

Accounts & Charges
An account will be assigned to each student. The student’s ID number will be his/her lunch account number. Students will be charged for meals when they present their ID number to the cashier. Money will be deducted from the student account or the student may pay for the meal daily. **Students are allowed to charge up to $10. You will be notified when this happens by the cafeteria. Adults are not allowed to charge meals.** All students purchasing a second meal will pay full price for breakfast and/or lunch. Parents, legal guardians, or students may credit their accounts in any amount. Parents have internet accessibility through PayPal to credit or retrieve information on their child’s account. The PayPal feature allows you to make payment to your child’s child nutrition account using PayPal. To get started contact your child’s school office and request a Parent/Guardian Portal account login. There will be a 6% convenience fee on each transaction to offset the PayPal administrative costs. Skiatook Public Schools uses a third party collecting agency to collect insufficient funds. A $30 service fee will be charged.

**Custodial & Non-Custodial Parental Rights**
It is our policy that a parent who is awarded legal custody of a child by court action shall file a copy of the current court decree with the school. If the custodial parent does not wish the child to be released to the non-custodial parent, an appropriate written instruction (such as a court order) should be filed with the school. Absent a court decree to the contrary, both parents have the right to view the student’s school records; to receive school progress reports; to visit the child briefly at school; and to participate in parent teacher conferences. Contact from the school to the parents will be primarily made through the custodial parent.

**Electronic Device Confiscation and/or Search Policy**
Any and all electronic devices, including but not limited to cell phones, smart phones, tablets, laptops, MP3 players, or any other type of mobile electronic device, have a reduced expectation of privacy once they enter any school zone and may be subject to confiscation and/or search should a school violation be suspected.
Possession and/or use of any personal electronic device is a privilege, not a right, that is extended to the student, which, at the discretion of the school, may be revoked should circumstances warrant.

**FERPA Rights**
The Family Educational Rights and Privacy Act (FERPA) affords parents and students who are 18 years of age or older ("eligible students") certain rights with respect to the student’s education records. These rights are:

1) The right to inspect and review the student's education records within 45 days after the day Skiatook Public Schools receives a request for access.
   - Parents or eligible students should submit to the school principal or Special Services Director a written request that identifies the records they wish to inspect. The school official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

2) The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA.
   - Parents or eligible students who wish to ask Skiatook Public Schools to amend a record should write the school principal or Special Services Director, clearly identify the part of the record they want changed, and specify why it should be changed. If the school decides not to amend the record as requested by the parent or eligible student, the school will notify the parent or eligible student of the decision and of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

3) The right to provide written consent before the school discloses personally identifiable information (PII) from the student's education records, except to the extent that FERPA authorizes disclosure without consent.
   - One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the school as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel) or a person serving on the school board. A school official also may include a volunteer or contractor outside of the school who performs an institutional service of function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records, such as an attorney, auditor, medical consultant, or therapist; a parent or student volunteering to serve on an official committee, such as a disciplinary or grievance committee; or a parent, student, or other volunteer assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.
   - [Optional] Upon request, the school discloses education records without consent to officials of another school district in which a student seeks or intends to enroll, or is already enrolled if the disclosure is for purposes of the student’s enrollment or transfer. [NOTE: FERPA requires a school district to make a reasonable attempt to notify the parent or student of the records request unless it states in its annual notification that it intends to forward records on request.]

4) The right to file a complaint with the U.S. Department of Education concerning alleged failures by Skiatook Public Schools to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:
   - Family Policy Compliance Office
   - U.S. Department of Education
   - 400 Maryland Avenue, SW
   - Washington, DC  20202

FERPA permits the disclosure of PII from students’ education records, without consent of the parent or eligible student, if the disclosure meets certain conditions found in §99.31 of the FERPA regulations. Except for disclosures to school officials, disclosures related to some judicial orders or lawfully issued subpoenas, disclosures of directory information, and disclosures to the parent or eligible student, §99.32 of the FERPA regulations requires the school to record the disclosure. Parents and eligible students have a right to inspect and review the record of disclosures. A school may disclose PII from the education records of a student without obtaining prior written consent of the parents or the eligible student –
o To other school officials, including teachers, within the educational agency or institution whom the school has
determined to have legitimate educational interests. This includes contractors, consultants, volunteers, or
other parties to whom the school has outsourced institutional services or functions, provided that the
conditions listed in §99.31(a)(1)(i)(B)(1) - (a)(1)(i)(B)(2) are met. (§99.31(a)(1))
o To officials of another school, school system, or institution of postsecondary education where the student
seeks or intends to enroll, or where the student is already enrolled if the disclosure is for purposes related to
the student's enrollment or transfer, subject to the requirements of §99.34. (§99.31(a)(2))
o To authorized representatives of the U. S. Comptroller General, the U. S. Attorney General, the U.S. Secretary
of Education, or State and local educational authorities, such as the State educational agency in the parent
or eligible student's State (SEA). Disclosures under this provision may be made, subject to the
requirements of §99.35, in connection with an audit or evaluation of Federal- or State-supported education
programs, or for the enforcement of or compliance with Federal legal requirements that relate to those
programs. These entities may make further disclosures of PII to outside entities that are designated by
them as their authorized representatives to conduct any audit, evaluation, or enforcement or compliance
activity on their behalf. (§§99.31(a)(3) and 99.35)
o In connection with financial aid for which the student has applied or which the student has received, if the
information is necessary to determine eligibility for the aid, determine the amount of the aid, determine the
conditions of the aid, or enforce the terms and conditions of the aid. (§99.31(a)(4))
o To State and local officials or authorities to whom information is specifically allowed to be reported or disclosed
by a State statute that concerns the juvenile justice system and the system’s ability to effectively serve, prior
to adjudication, the student whose records were released, subject to §99.38. (§99.31(a)(5))
o To organizations conducting studies for, or on behalf of, the school, in order to: (a) develop, validate, or
administer predictive tests; (b) administer student aid programs; or (c) improve instruction. (§99.31(a)(6))
o To accrediting organizations to carry out their accrediting functions. (§99.31(a)(7))
o To parents of an eligible student if the student is a dependent for IRS tax purposes. (§99.31(a)(8))
o To comply with a judicial order or lawfully issued subpoena. (§99.31(a)(9))
o To appropriate officials in connection with a health or safety emergency, subject to §99.36. (§99.31(a)(10))
o Information the school has designated as “directory information” under §99.37. (§99.31(a)(11))

Skiatook Public Schools will directly notify parents of these policies at least annually at the start of each school year and after any substantive changes. Skiatook Public Schools will also directly notify, such as through U.S. Mail or email, parents of students who are scheduled to participate in the specific activities or surveys noted below and will provide an opportunity for the parent to opt his or her child out of participation of the specific activity or survey. Skiatook Public Schools will make this notification to parents at the beginning of the school year if the District has identified the specific or approximate dates of the activities or surveys at that time. For surveys and activities scheduled after the school year starts, parents will be provided reasonable notification of the planned activities and surveys listed below and be provided an opportunity to opt their child out of such activities and surveys. Parents will also be provided an opportunity to review any pertinent surveys. Following is a list of the specific activities and surveys covered under this requirement:
• Collection, disclosure, or use of personal information for marketing, sales, or other distribution.

The superintendent or designee may modify the provisions of this policy on a case-by-case basis. However, any substantial modification must be reported to the Board of Education at its next meeting.

Firearms are defined in Title 18 of the United States Code, Section 921, as (A) any weapon (including a starter gun) which will or is designed to or may readily be converted to expel a projectile by the action of an explosive; (B) the frame or receiver of any such weapon; (C) any firearm muffler or firearm silencer; or (D) any destructive device including any explosive, incendiary or poison gas, bomb, grenade, rocket having a propellant charge of more than four ounces, missile having an explosive or incendiary charge of more than one-quarter ounce, mine or any device similar to the above.

Such firearm or weapon will be confiscated and released only to proper legal authorities.

Students with disabilities are subject to this policy and will be disciplined in accordance with the Individuals with Disabilities Education Act and Section 504 of the Rehabilitation Act of 1973.

An exception to this policy may be made for students participating in an authorized extracurricular activity or team involving the use of firearms or archery equipment.

Medical Marijuana
Regardless of a student, employee, parent or any individual’s status as a medical marijuana licenses holder, marijuana is not allowed on the premises of the district or in any school vehicle or any vehicle transporting a student under any circumstances. While the use of medical marijuana in conjunction with the possession of a medical marijuana license is legal in the State of Oklahoma, marijuana is a prohibited controlled substance under federal law regardless of the use being for medical purposes. Accordingly, possession of marijuana by a student, employee, parent or any individual, notwithstanding the possession of a medical marijuana license, is strictly prohibited while on the premises of the district and in school vehicles; going to and from and attending district sponsored functions, events, and athletic activities, including those district sponsored functions, events and/or athletic activities which occur in a location other than the premises of the district; utilizing district equipment or transportation; and in any other instance in connection with the district where the district reasonably deems the possession of marijuana to be illegal.
In the event that a student, employee, parent or any individual is found to possess or to have possessed marijuana in any of the instances stated above, the district will proceed with all actions and consequences that are afforded under any state or federal law, employment contract, district policy, student handbook provision, or any other authority applicable to or adopted by the district.

Definitions

The terms “marijuana” and “possession of marijuana” will be interpreted by the district in accordance with state and federal law. The term “marijuana” includes, but is not limited to, any form of marijuana; all parts of the plant Cannabis sativa L., whether growing or not; marijuana seeds; marijuana oil, extract, resin, or residue; cannabidiol in any form; and marijuana edibles. Any conflict between state and federal law as to the definition of “marijuana” or “possession of marijuana” will be interpreted in favor of federal law.

Nondiscrimination

There will be no discrimination in the district because of an individual’s status as a medical marijuana license holder.

Overlap with Other District Policies

The district recognizes that the legal aspects and consequences of medical marijuana are new and possibly subject to change. These legal aspects and consequences of medical marijuana effect many areas of the district’s current policies regarding employees, students, parents and individuals on district premises or attending district events. The district will continue to enforce its current adopted policies. As the need arises with changes in state and/or federal law, the district will consider and/or examine district policies in order to assess whether revisions, if any, may be needed to a district policy in order to comply with state and federal law.

Nondiscrimination

Skiatook Public Schools does not discriminate on the basis of race, color, national origin, religion, sex, disability, veteran status, or age in its programs and activities and provides equal access to the Boy Scouts and other designated groups. Career and Technical Education training is offered to all students in Agricultural Education, Business and Information Technology Education, and in Family and Consumer Science Education.

Any person who knowingly and willfully fails to promptly report any incident of child abuse may be reported to local law enforcement for criminal investigation and, upon conviction thereof, shall be guilty of a misdemeanor. Any person who knowingly and willfully makes a false report, or makes a report that the person knows lacks factual foundation may be reported by the Department of Human Services to local law enforcement for criminal investigation and, upon conviction thereof, shall be guilty of a misdemeanor.

Any person participating in good faith and exercising due care in the making of a report or any person who, in good faith and exercising due care, allows access to a child by persons authorized to investigate a report concerning the child shall have immunity from any liability, civil or criminal, that might otherwise be incurred or imposed. Any such participant shall have the same immunity from any liability with respect to participation in any judicial proceeding resulting from such report.

The school district shall post, in a clearly visible location in a public area of the school that is readily accessible to all students, a sign in English and Spanish that contains the toll-free number operated by the Department of Human Services.

**Searches**

Oklahoma Statute Title 70 § 24-102 (effective date July 2001) states:

The superintendent, principal, teacher, or security personnel of any public school in the State of Oklahoma, upon reasonable suspicion, shall have the authority to detain and search or authorize the search, of any pupil or property in the possession of the pupil when said pupil is on any school premises, or while in transit under the authority of the
school, or while attending any function sponsored or authorized by the school, for dangerous weapons, controlled
dangerous substances, as defined in the Uniform Controlled Dangerous Substances Act, intoxicating beverages, low-
point beer, as defined by Section 163.2 of Title 37 of the Oklahoma Statutes, or for missing or stolen property if said
property be reasonably suspected to have been taken from a pupil, a school employee or the school during school
activities. The search shall be conducted by a person of the same sex as the person being searched and shall be
witnessed by at least one other authorized person, said person to be of the same sex if practicable.

The extent of any search conducted pursuant to this section shall be reasonably related to the objective of
the search and not excessively intrusive in light of the age and sex of the student and the nature of the infraction. In
no event shall a strip search of a student be allowed. No student's clothing, except cold weather outerwear, shall be
removed prior to or during the conduct of any warrantless search.

The superintendent, principal, teacher, or security personnel searching or authorizing the search shall have
authority to detain the pupil to be searched and to preserve any dangerous weapons, controlled dangerous
substances, intoxicating beverages, low-point beer, or missing or stolen property that might be in the pupil’s
possession including the authority to authorize any other persons they deem necessary to restrain such pupil or to
preserve any dangerous weapons, controlled dangerous substances, intoxicating beverages, low-point beer, or
missing or stolen property. Students found to be in possession of such an item shall be subject to the provisions of
Section 24-101.3 of this title.

Pupils shall not have any reasonable expectation of privacy towards school administrators or teachers in the
contents of a school locker, desk, or other school property. School personnel shall have access to school lockers,
desks, and other school property in order to properly supervise the welfare of pupils. School lockers, desks, and
other areas of school facilities may be opened and examined by school officials at any time and no reason shall be
necessary for such search. Schools shall inform pupils in the student discipline code that they have no reasonable
expectation of privacy rights towards school officials in school lockers, desks, or other school property (70-24-102).

Students who drive automobiles onto school property, by so doing, subject any such automobiles to a
search upon “reasonable suspicion.” An alert by a drug interdiction canine is an example of one of the many
circumstances that may substantiate reasonable suspicion. Identification by a drug dog does not necessarily
constitute possession but does constitute reasonable suspicion.

**Sexual Harassment**

All students, employees, and Board members are strictly prohibited from engaging in any form of sexual harassment
of any student, employee, or applicant for employment, vendor representative, or patron of the School District. In the
case of a student of the School District, “sexual harassment” is defined as unwelcome sexual advances, requests for
sexual favors, and other unwelcome verbal or physical conduct of a sexual nature by any person towards a student.
Any student engaging in sexual harassment is subject to any and all disciplinary action which may be imposed under
the School District’s Policy on Student Behavior. Any employee or student who is or has been subjected to sexual
harassment or knows of any student or employee who is or has been subjected to sexual harassment shall
immediately report all such incidents to either the superintendent, principal, assistant principal, or any Board member
of the School District. If a report of an incident needs to be made after normal school hours, the above-listed
individuals may be contacted at home. It is preferred that all such reports be made in person or in writing signed by
the reporting party. However, in order to encourage full, complete, and immediate reporting of such prohibited
activities, any person may report such incidents in writing and anonymously by mailing such reports to the personal
attention of any of the above-designated persons. All such reports should state the name of the alleged harassing
student, employee, or Board member, the person(s) being harassed, the nature, contacts and extent of the prohibited
activity, the dates of the prohibited activity, and any other information necessary to a full report and investigation of
the matter. The School District will investigate all reports.

**Student Health**

*Distribution of Medication*

All medication for students must be brought in by an adult. Medication cannot be brought in or taken home by a
student. No Exceptions. Any medication brought to school without a form signed by parent or by a student will not be
given. Any medication that is not in the original container will be disposed of. A note will be sent home with the
student informing you that the medication policy was not followed. Medication that is in the original container will be
held in the office for two days for an adult to pick up or to sign an Authorization to Administer Medicine form.
Either a parent or person having legal custody of the student must complete and sign a Parental Authorization to Administer Medicine form allowing the school nurse or designated school employee to administer medication. All prescription medication must have the pharmacy label that states the students name, dosage amount and instructions. Over the counter medication must be in the original unopened container with the students name written on it.

Prescription medication will be logged in when brought in to the school. Prescription medication will be in a locked cabinet. Prescription medication will be inventoried on a regular basis by the nurse or office personnel. A log sheet will be added to the back of the parental consent form. Keys to the cabinet will only be given to the school nurse and the main office personnel.

A maximum of 25 days of prescription medication may be kept at school for students. Keep the rest at home. An initial dosage of medication will not be given at school in case of an allergic reaction.

The school does not provide cough drops/cough medicine or non-Aspirin/ Tylenol products for students. These must be supplied by parents for an individual child.

Immunization Requirements
The immunizations in the chart below are required in the time-line provided.

Guide to Immunization Requirements in Oklahoma
All children two months of age and older must present an immunization record or file for an exemption before they are allowed to attend childcare or school in Oklahoma. Please read the bulleted below for essential information. For more information refer to the School Administrator’s Guide to Oklahoma’s Immunization Law at: http://www.ok.gov/health/Childcare_Preparation_PreSchoolImmunizationsVaccines_for_SchoolEntry.html

- If the 4th dose of DTaP is administered on or after the child’s 4th birthday, then the 5th dose DTaP is not required.
- The number of doses of PCV and/or Hib may range from 1 to 4 depending on the age of the child when the first dose was given.
- If the 3rd dose of IPV/OPV is administered on or after the child’s 4th birthday, then the 4th dose of IPV/OPV is not required.
- Children may be complete with 3 or 4 doses of Hib vaccine depending on the brand of vaccine used.
- Students 11 through 15 years of age who have not received any Hib vaccine previously may receive a 2 dose series of Merck® Adult Hepatitis B vaccine to comply with this requirement. All other children (younger or older) must receive 3 doses of pediatric Hepatitis B vaccine.
- The table above lists the vaccines that are required for children to attend childcare, preschool, and kindergarten through twelfth grade in Oklahoma. Additional vaccines may be recommended, but are not required. For example, 2nd dose of varicella vaccine is recommended before entering kindergarten, but not required by Oklahoma law.
- Children attending licensed childcare facilities must be up-to-date for the vaccines listed in the “Childcare” column. Refer to this web page for information on when doses are due and past due for children attending childcare:
  http://www.ok.gov/health/Immunization/PrePreK/PreSchoolImmunizationsVaccines_for_ChildcareEntry.html
- Hib and PCV vaccines are not required for students in pre-school, pre-kindergarten, or kindergarten programs operated by schools unless the facility is a licensed child care facility. Hib and PCV vaccines are required for children attending licensed child care facilities.
- Doses administered 4 days or less, before the minimum interval or ages, are counted as valid doses.
- The first doses of measles, mumps and rubella (MMR), varicella, and hepatitis A vaccines must be administered on or after the child’s first birthday (or within 4 days before the birthday) or they must be repeated.
- If a parent reports that their child had chickenpox disease, the child is not required to receive varicella vaccine. Record that the child had the disease.
- It is not necessary to restart the series of any vaccine if a dose was given late or if a dose is past due. Longer than recommended intervals between doses do not affect final immunity.
- Children may be allowed to attend childcare and school if they have received at least one dose of all the required vaccines due for their age or grade and the next doses are not yet due, but they must complete the remaining doses of vaccine on schedule. These children are “in the process” of receiving immunizations.

Meningococcal Disease & Vaccines
- What is meningitis? Meningitis is an infection of the tissue lining and fluid that surround the spinal cord and the brain. Meningitis is usually caused by a virus or a bacterium. Meningitis caused by a virus is usually less
severe and goes away without any special treatment, while meningitis caused by bacteria can be severe and may cause:
  o Brain damage, Hearing loss, Amputation of arms or legs, Learning disabilities, or Death.

**What types of bacteria cause meningitis?** There are several types of bacteria that may cause meningitis, including:
  o Neisseria meningitides, Streptococcus pneumoniae, Group B streptococcal disease, and Haemophilus influenzae type B (Hib).

This information sheet will focus on the disease caused by Neisseria meningitidis (Nay-sear-e-a men-in-git-idis), which is rare but especially risky for people of certain ages. Disease caused by Neisseria meningitidis is usually referred to as “meningococcal disease” (men-INjo-kul-ul disease). Many persons are exposed to Neisseria meningitidis and carry the bacteria in their nose and throat for weeks or months and spread the bacteria to others, but do not become sick themselves. If the meningococcal bacteria invade the body, they may cause a rapidly spreading infection of the blood, lung infection, or meningitis. More information about the other kinds of bacteria that cause meningitis can be found at the web sites listed in the box at the end of this information sheet.

**Who is at risk from meningococcal disease?** Babies less than a year old have the highest risk for meningococcal disease, but no vaccine is available for babies. The risk of meningococcal disease increases for teenagers and young adults 15 through age 21 years of age, because of behaviors that spread the disease. On average, two or three people in this age group get meningococcal disease every year in Oklahoma. More than half of these could be prevented by vaccine.

College students, military personnel, and other people living in close quarters or dormitory-style housing have a greater chance of contracting the disease than other persons their age. Other persons at increased risk include smokers or persons frequently exposed to second-hand smoke, those with immune system problems, those without a spleen, or international travelers going to countries where the disease is more common.

**How is the disease spread?** The disease is spread by respiratory droplets produced by a person harboring the bacteria and expelled a short distance by laughing, singing, coughing, or sneezing. The bacteria may also be spread by direct contact with the respiratory fluids of someone who is infected. That includes kissing, or sharing a water bottle, food item, cigarettes, lipstick, lip balm, mouth guard or anything an infected person touches with his or her nose or mouth.

**Why is meningococcal disease dangerous?** Meningococcal disease is relatively uncommon with about 2,500 people affected every year in the United States. However, the infection can spread very quickly and 300 of those people die in spite of treatment with antibiotics. Of those who live, about 400 a year lose their arms or legs, become deaf, have problems with their nervous systems, become mentally retarded, or suffer seizures or strokes.

For this reason, it is best to prevent the disease from occurring. Signs and symptoms of meningococcal disease may be confused with other infectious diseases. If your child has symptoms of meningococcal disease, contact your healthcare provider immediately.

**Signs and Symptoms of Meningitis**
- Headache
- Fever
- Chills
- Stiff neck
- Extreme tiredness
- Vomiting
- Sensitivity to light
- Rash of purplish black-red dots or splotches
- Confusion
• Seizures

**How can meningococcal disease be prevented?** Vaccines can prevent approximately two-thirds of the meningococcal disease cases. There are two types of meningococcal vaccine available in the United States (MCV4 and MPSV4) that protect against four of the five most common disease-causing strains of the meningococcal bacteria.

MCV4 stands for meningococcal conjugate vaccine and MPSV4 stands for meningococcal polysaccharide vaccine. Two doses of MCV4 are recommended for:

- All adolescents 11-18 years of age, and Other people at high risk 2 through 55 years of age.

MCV4 should be given to all adolescents at age 11 or 12 years, unless they have received it before. A booster dose is due at age 16 years. For adolescents who receive the first dose at age 13 through 15 years, a onetime booster dose should be given at age 16 through 18 years.

Children 2 years of age and older and adults who are at high risk for meningococcal disease should receive 2 doses spaced 2 months apart. People at high risk include individuals who:

- Do not have a spleen, Have terminal complement deficiencies, HIV infection, or Will be traveling to countries with high rates of meningococcal disease.

Teens and young adults age 16 through 21 years who receive(d) their first dose of MCV at 16 years of age or older do not need a booster dose.

MPSV4 protects against the same types of meningococcal bacteria as MCV4 and is indicated for use in adults over 55 years of age who are at risk for meningococcal disease.

Teenagers and young adults can also reduce their risk by taking good care of themselves, by eating a balanced diet, getting enough sleep and exercise, as well as avoiding cigarettes and alcohol.

**Is this vaccine required to attend school in Oklahoma?** Meningococcal vaccine is required for students who are enrolling for the first time in colleges and post-high school educational programs and who will live in dormitories or on-campus student housing. This vaccine is not required for children in elementary or high school in Oklahoma, even though it is recommended for all adolescents 11 years and older.

**Is the meningococcal vaccine safe?** Yes, both types of vaccine are safe; however, there are small risks associated with any vaccine. About half of the people who receive a meningococcal vaccine will have pain and redness where the shot was given, but because the vaccine is not made from the whole bacteria, it cannot cause bloodstream infections or meningitis. A small percentage of people who get the vaccine develop a fever. Vaccines, like all medicines, carry a risk of an allergic reaction, but this risk is very small.

A few cases of Guillain-Barré Syndrome (GBS), a serious nervous system disorder, have been reported among people who received MCV4. However, GBS is such a rare disease that it is not possible right now to tell if the vaccine is a part of the cause or simply due to chance alone because a number of cases of GBS will occur every year even without the use of MCV4 vaccine.

**Does the meningococcal vaccine work?** Yes. A single dose of MCV4 meningococcal vaccine protects about 90 percent of the people who are immunized against meningococcal disease caused by types A, C, Y, and W-135. These types cause almost two-thirds of all meningococcal disease among teenagers in the United States. It does not prevent type B, which causes about one third of the cases in teenagers.

**Does the meningococcal vaccine prevent all cases of meningitis?** No, it cannot provide protection against other causes of bacterial meningitis or type B meningococcal disease. Scientists have not been able to make a vaccine that will protect against type B.

**Where can I get the vaccine for my son or daughter?** If your child has health insurance, you can obtain the meningococcal vaccine from your regular healthcare provider. All county health departments in Oklahoma have the vaccine available at no charge for children 11 through 18 years of age who:
• Have no health insurance, are Medicaid eligible, are Native American, or have health insurance that does not pay for vaccines or does not pay for meningococcal vaccine; and for children 2 through 18 years of age who are at high risk from meningococcal disease.

**Where can I find more information?** For more information, contact your healthcare provider or local county health department or visit these web sites: National Meningitis Association at www.nmaus.org Centers for Disease Control and Prevention at http://www.cdc.gov/meningitis/index.htm

This information sheet was prepared with information obtained from the Oklahoma State Department of Health, the Centers for Disease Control and Prevention, and the Children’s Hospital of Philadelphia. (Revised 3-11)

**Various Conditions**

- **Communicable Disease**
  Students suspected of having a communicable disease will be requested to obtain a statement from the County Health Department or a licensed physician concerning their current health status.

- **Head Lice**
  If a student is sent home for head lice they are expected to receive a head lice treatment, have nits removed and return to school the next morning. Parents will be required to be present during the follow up head check. If no live lice are found, the student may return to class. The student will be rechecked within 7-10 days if there are still nits present. The parent will be informed that the nits will need removed to prevent re-infestation.
  In cases of severe infestation, inability of family to rid the child of infestation, chronic infestation, repeated infestation or possible impetigo (secondary bacterial infection of sores and scratches on the child’s head), the parent will be required to keep child at home until they see a physician or county public health nurse and bring a note from a physician or nurse declaring they are lice and nit free.
  Information on head lice treatment and nit removal is available in the nurse’s office.

- **Illness Policy**
  Students need to remain at home if they have had the following symptoms:
  - Vomiting and/or diarrhea during the past 24 hours
  - Fever 100 degrees or higher during the past 24 hours
  - An unidentified rash
  - Open sores (minor sores must be covered with a dressing while the child is in school)
  - Communicable diseases

- **Pink Eye (Conjunctivitis)**
  Any discharge noted from the students eyes will result in the student being sent home for the day. To return to school they must have had 24 hours of treatment or present a note from the attending physician state the diseased in no longer contagious.

- **Scabies**
  Students may return to school by presenting a statement of diagnosis from the attending physician and ONE day after treatment is complete.

**STUDENT INTERNET USAGE POLICY**

*Terms and Conditions for Use of Internet*

Internet access is available to students and teachers in the Oklahoma public school districts. We are very pleased to bring this access to Skiatook and believe the Internet offers vast, diverse and unique resources to both students and teachers. Our goal in providing this service to teachers and students is to promote educational excellence in the Skiatook public schools by facilitating resource sharing, innovation and communication.

The Internet is an electronic highway connecting thousands of computers all over the world and millions of individual subscribers. Students and teachers have access to:
communication with people all over the world, information and news, public domain and shareware of all types, discussions groups on a plethora of topics ranging from diverse cultures to the environment to music to politics, and access to many university catalogs.

With access to computers and people all over the world also comes the availability of material that may not be considered to be of educational value in the context of the school setting. The Skiatook Public Schools and Oklahoma State Department of Education have taken available precautions to restrict access to inappropriate materials. However, on a global network it is impossible to control all materials and an industrious user may discover inappropriate information.

Internet access is coordinated through a complex association of government agencies, and regional and state networks. In addition, the smooth operation of the network relies upon the proper conduct to the end users who must adhere to strict guidelines. These guidelines are provided here so that you are aware of the responsibilities you are about to acquire. In general this requires efficient, ethical and legal utilization of the network resources. If a Skiatook Public School user violates any of these provisions, their access will be terminated and future access could possibly be denied. The signature(s) at the end of this document is (are) legally binding and indicates the party (parties) who signed has (have) read the terms and conditions carefully and understand(s) their significance.

**Internet – Terms and Conditions**

A). Acceptable Use – The purpose of the NSFNET, which is the backbone network to the Internet, is to support research and education in and among academic institutions in the US by providing access to unique resources and the opportunity for collaborative work. School use must be in support of education and research and consistent with educational objectives. Use of other organization’s network or computing resources must comply with the rules appropriate for that network. Transmission of any material in violation of any US or state regulation is prohibited. This includes, but is not limited to; copyrighted material, threatening or obscene material, or material protected by trade secret. Use for product advertisement or political lobbying is also prohibited. Use for commercial activities is generally not acceptable.

B). Privileges – The use of Internet is a privilege, not a right, and inappropriate use will result in a cancellation of those privileges. Each student who receives access will participate in a discussion with a Skiatook Public School faculty member pertaining to the proper use of the network. The system administrators and teachers will deem what is inappropriate use and their decision is final. The district may deny, revoke, or suspend specific user access.

C). Netiquette – You are expected to abide by the generally accepted rules of network etiquette. These include, but are not limited to the following:

- Be polite. Your messages should not be abusive to others
- Use appropriate language. Do not swear, use vulgarities or any other inappropriate language
- Do not reveal your personal address or phone number or the addresses and/or phone numbers of students or colleagues
- Illegal activities are strictly forbidden
- Do not use the network in such a way that you would disrupt the use of the network by other users
- All communications and information accessible via the network should be assumed to be private property

D). The Skiatook Public Schools and the Oklahoma State Department of Education make no warranties of any kind, whether expressed or implied, for the service it is providing. The Skiatook Public Schools and the Oklahoma State Department of Education will not be responsible for any damages suffered. This includes loss of data resulting from delays, non-deliveries, mis-deliveries, or service interruptions caused by negligence, errors or omissions. Use of any information obtained via the Skiatook Public Schools, or the Oklahoma State Department of Education is at the users own risk. The Skiatook Public Schools is not responsible for the accuracy or quality of information obtained.

E). Security – Security on any computer system is a high priority, especially when the system involves many users. If you feel you can identify a security problem on the Internet, you must notify a teacher who will in turn notify a system administrator. Do not demonstrate any problems to other users. Do not use another individual’s account without written permission from that individual. Attempts to access Internet as a system administrator will result in
cancellation of user privileges. Any user identified as a security risk or having a history of problems with other computer systems may be denied access to the Internet.

F). Vandalism – Vandalism is defined as any malicious attempt to harm or destroy hardware, data of another user, Internet, or any agencies or other networks that are connected to the NSFNET Internet backbone. This includes, but is not limited to, the uploading or creation of computer viruses. If a student causes vandalism or influx of viruses or commits cyber crimes, that violation could also be addressed in a discipline matter. Consequences for negative behavior in regards to computers could widely range with the cancellation of privileges to the possibility of suspension from school for serious offenses.

G). – Due to the high influx of data destroying viruses and other cyber crimes, Skiatook’s policy must be no checking, transmitting, or receiving of personal e-mail, no use of instant messengers or chat rooms, and no student outside disks or CD’s may be brought into the Skiatook district and loaded onto computers that are the property of Skiatook schools. Likewise, no downloading of material of any kind onto computers that are the property of Skiatook schools. The Internet is for educational purposes only. Violation of this policy will result in Internet access privileges being revoked and/or appropriate school disciplinary action being taken.

H). – Exception of Terms and Conditions –All terms and conditions as stated in this document are applicable to the Skiatook Public Schools, the Oklahoma State Department of Education, in addition to NSFNET. These terms and conditions reflect the entire agreement of the parties and supersede all prior oral or written agreements and understandings of the parties. These terms and conditions shall be governed and interpreted in accordance with the laws of the state of Oklahoma, and the United States of America.

Skiatook Public Schools will provide a reasonable modification of student handbook policies as needed to meet the individual educational needs of any student identified as having a disability under the Individuals with Disabilities Education Act or Section 504 of the Rehabilitation Act.
