

### **REPORTING STUDENT SUBSTANCE ABUSE**

The board recognizes the complexity of problems which may be associated with student substance abuse. The concern is for the well-being and best interests of students at all times. Therefore, the following procedure will be utilized by teachers in reporting students who appear to be under the influence, as defined by law, of: low-point beer, alcoholic beverages, or controlled dangerous substances.

When it appears to a teacher that a student may be under the influence of low-point beer, alcoholic beverages, or controlled dangerous substances (drugs), the teacher will report the matter in writing to the principal. Whenever possible, the teacher should attempt to obtain a corroborative observation from another teacher or administrator.

The report of the teacher will state the date, time, and place of the incident. It will also describe the actions of the student or other circumstances from which the teacher concluded that the student appeared to be under the influence of low-point beer, alcoholic beverages, or controlled dangerous substances.

The principal or his/her designee will also immediately notify the student's parent or legal guardian of the report. The notification to the student's parent or legal guardian may be verbal, but will be promptly confirmed in writing. Principals and designees will also notify the superintendent of the incident.

A copy of this policy will be delivered to each teacher.

### **STAFF DEVELOPMENT**

The district's certified personnel must earn a minimum of five (5) points during each school year and accumulate a minimum of seventy-five (75) points during a five-year period. However, no more than a total of one hundred fifty (150) hours of local, state, or federal professional development or training shall be required for classroom teachers during any five-year period. These points will be authorized by prior approval of the activity by the superintendent and will follow the guidelines as established by the staff development committee and the board of education. The district shall keep a record of each staff development activity in the office of the Staff Development Committee.

The district shall require the superintendent to inform employees of their point status at the end of the first semester of school, so that any deficiencies in in-service points may be corrected. The Staff Development Committee will give the superintendent this total of individual points.

Teachers will be notified in writing at the end of the first semester of their points earned. At the end of the school year teachers will receive copies of total points earned for that year. They will also sign their record sheet. Teachers shall maintain written documentation of all their completed professional development.

For accounting purposes, staff development requirements by the local staff development plan, points must be in, on or before the last day of the current school year. A re-employment contract is contingent upon successful completion of the requirements of the local staff development policy. Points earned while teaching at another school may be transferred for credit at this institution.

Teachers must attend all meetings called or approved by the superintendent. Teachers are expected to attend those professional meetings for which they are given days off from school to attend. Local teachers meetings will be called as needed by the superintendent.

In addition to these requirements, all teachers will be required to participate in individual growth goals in accordance with the programs and guidelines established by the Oklahoma State Department of Education. These growth goals will be established in conjunction with a teacher's evaluation (regardless of whether a teacher is evaluated during a school year) but will not increase the required number of professional development points needed under this policy.

**CERTIFIED EMPLOYEE LEAVE**

Skiatook Public Schools' sick leave policy provides that school personnel may be absent from their duties due to personal illness, injuries, maternity, or illness in their immediate family\* without loss of salary for a period not to exceed their current year accumulated sick leave balance.

The right to sick leave shall vest at the beginning of the school year for certified employees. Sick leave will accrue at a rate of 10 days per school year for employees on a 10-month contract; 11-month contract employees will accrue 11 days per school year and 12-month contract employees will accrue 12 days per school year.

Accumulated sick leave will be reduced one day for each day that the employee is absent for reasons covered by the sick leave policy. Unused sick leave shall be cumulative up to sixty days and can be transferred to another district within the state of Oklahoma where the certified employee is employed the next succeeding school year, provided that the number of days transferred shall not exceed the maximum days permitted by the receiving district and that such transferred days shall be used first in case of illness and, provided further, that if the receiving district pays the teacher for unused sick leave upon retirement or termination of contract, then said payments shall be only for those days accumulated in the receiving district. The sending school district shall certify the exact number of days eligible for transfer.

After ten (10) consecutive years of service in the school district, upon written resignation from employment and with a written request to be paid for unused sick leave, Skiatook Public Schools will pay certified employees at the rate of \$40.00 (forty dollars) per unused sick day accumulated in the Skiatook district with a maximum of 100 unused sick days to be paid.

The board shall reimburse each certified employee \$50 (Fifty dollars) per day, for days accumulated in the Skiatook School District not to exceed 100 days for each day of unused sick leave upon full retirement from the school district. The certified employee must have worked at least 10 (Ten) consecutive years in the Skiatook School District to receive this retirement reimbursement.

Employees retiring or resigning must notify the district in writing during that fiscal year whether or not they wish to be paid for their unused sick leave. For retirement purposes, unused sick leave days accumulated exceeding sixty days will accrue to 120 days maximum. Days accumulated above sixty when not retiring will not be eligible to carry over to the next school year, but will be referred to the Retirement Sick Leave Bank. This applies to all ten, eleven and twelve-month contracts.

**\*IMMEDIATE FAMILY DEFINITION** – includes employee's husband or wife and the following relatives: employee's father, mother, son, daughter, brother, sister, grandchild, grandparent and corresponding relatives by affinity (i.e. marriage).

### **Personal Business Leave**

All certified personnel will be provided three paid days per school year for personal business leave. Unused Personal Business Leave Days will be rolled over to sick leave.

Teachers must notify their building principals at least forty-eight hours in advance of taking any personal business leave days. Such notification must be in writing (see principal's office for leave request forms) and on file with the principal's office within forty-eight hours of the requested day off.

In the event of an emergency where the teacher cannot give forty-eight hour written notice to the principal, the superintendent must approve the request. In the superintendent's absence, the principal may grant approval.

Personal business leave days cannot be taken on the first or last day of the contract period or on the day before or after a holiday, unless approved by superintendent. Superintendent approval will only be for situations or emergencies that are out of the control of the employee and will not be approved for extended leave for vacations.

*(Revised February 2016)*

### **Emergency/Bereavement Leave**

Teachers shall be granted a maximum of three days in-state leave with full pay for deaths within the immediate family (see definition above). Five days leave with full pay will be granted for out-of-state deaths within the immediate family. If needed, personal business leave may be added to funeral leave. One (1) day leave with full pay, whether in-state or out-of-state shall be allowed in the death of an aunt, uncle, niece, nephew or cousin.

In the case of the death of the employee's spouse or a child of the employee, five (5) days leave with full pay shall be allowed.

### **Employee Association Leave** (Revised August 10, 2022)

A certified employee may request a leave of absence to hold office as an officer, director, trustee, or agent of a national, statewide, or school district employee association. The certified employee requesting employee association leave must provide the district superintendent, or their designee, with proof of election and proof of the term of office for the national, statewide, or school district employee association. Proof of election must include certification by the employee association of the date of the election and the results of the election.

The board of education may, in its sole discretion, grant a request for leave of absence under this section, but such leave will be without pay and without benefits granted by the district, regardless of whether the benefit is paid by the employee on leave or the association for which the employee is serving as an officer, director, trustee, or agent. If the request for employee association leave is granted, the board of education will provide definitive beginning and end dates for the approved leave of absence.

During the employee association leave period, the employee's position with the district will be maintained without advancement on the minimum salary schedule and without accrual of sick leave, personal business leave, or personal leave. Furthermore, the employee on leave will not accumulate service credit within the Teacher's Retirement System of Oklahoma. Following the conclusion of a leave of absence approved by the board of education under this section, the employee may return to their former position or a comparable position.

During the leave of absence, the employee granted leave will be prohibited from accessing district office space.

#### Maternity Leave (Revised August 14, 2023)

Full-time employees of the district who have been employed by the district for at least one year and have worked at least 1,250 hours during the preceding 12-month period shall be entitled to six (6) weeks of paid maternity leave following the birth of the employee's child. The six (6) weeks of paid maternity leave shall be used immediately following the birth of the employee's child. The six (6) weeks of maternity leave shall be in addition to and not in place of sick leave due to pregnancy pursuant to 70 O.S. § 6-104. A district employee taking maternity leave pursuant to the new law shall not be deprived of any compensation or other benefits to which the employee is otherwise entitled.

The district shall file claims with the State Board of Education for reimbursement of expenses related to providing eligible employees with paid maternity leave.

With regard to any shared sick leave program which is currently offered or which may be offered in the future by the district, provided maternity leave must be used prior to any shared sick leave available under the district's program. OKLA. STAT. tit. 70, § 6-104.1, et seq.

- F. "Probationary teacher" means a teacher who:

  - ii. adult education teachers or instructors,
  - iii. nonrenewal of teachers employed on temporary contracts for a complete year;

- I. This policy does apply to teachers employed in positions *fully funded* by federal or private categorical grants in regard to dismissals or suspensions during the term of employment under the grant, but not in regard to "nonreemployment" at the expiration of the grant.

2. Grounds for Dismissal or Nonreemployment

- A. A career teacher may be dismissed or not reemployed for:
- i. willful neglect of duty,
  - ii. repeated negligence in performance of duty,
  - iii. incompetency,
  - iv. unsatisfactory teaching performance,
  - v. instructional ineffectiveness (starting in 2017-1018 this includes but is not limited to being evaluated as "needs improvement" or lower for 3 consecutive years),

- vi. mental or physical abuse to a child,
- vii. commission of an act of moral turpitude,
- viii. abandonment of contract,
- ix. criminal sexual activity or sexual misconduct (as those terms are defined by law) which has impeded the effectiveness of the teacher's performance of school duties,
- x. failure to meet local school board staff development requirements (non-reemployment only),
- xi. engaging in acts which could form the basis of criminal charges sufficient to result in denial/revocation of a teaching certificate, or
- xii. any other grounds hereafter allowed by law.

B. A career teacher shall be dismissed or not reemployed for

- i. conviction of a felony,
- ii. conviction of any sex offense subject to Oklahoma's Sex Offenders Registration Act or another state's or the Federal Sex Offender Registration Provisions, or
- iii. instructional ineffectiveness. Starting in 2017-2018, this includes teachers with an ineffective rating for 2 consecutive school years.
- iv. Although the law permits the board to approve a superintendent's recommendation that ineffective teachers be retained, the board will not approve such recommendations.

C. A probationary teacher may be dismissed or not reemployed for cause, including but not limited to engaging in acts which could form the basis of criminal charges sufficient to result in denial/revocation of a teaching certificate. Starting in 2017-2018, cause includes, but is not limited to, an ineffective rating for 2 consecutive school years or failure to obtain career status in 4 years.

D. A probationary teacher shall be dismissed or not reemployed for

- i. conviction of a felony,
- ii. conviction of any sex offense subject to Oklahoma's Sex Offenders Registration Act or another state's or the Federal Sex Offender Registration Provisions,

E. A cause listed 2A(i) - (v) for a career teacher, or any cause related to inadequate teaching performance for a probationary teacher, shall not be a basis for a recommendation to dismiss or not reemploy a teacher unless

corrective action procedures involving admonishment / plan for improvement have been followed. Dismissal or nonreemployment for any cause not listed in 2A(i) - (v) for a career teacher, or not related to inadequate teaching performance for a probationary teacher, shall not require corrective action procedures (i.e. admonishment) to be followed.

F. Corrective Action – Admonishment / Professional Development Plan (PDP)

- i. When an evaluator who has evaluated a teacher pursuant to district policy identifies poor performance, conduct or an evaluation rating which the evaluator believes may lead to a recommendation for the teacher's dismissal or nonreemployment, the evaluator shall:
  - admonish the teacher, in writing, and make a reasonable effort to assist the teacher in correcting the poor performance or conduct; and
  - establish a reasonable time for improvement, not to exceed two (2) months, taking into consideration the rating on the evaluation or the nature and gravity of the teacher's performance or conduct.
- ii. Whenever a member of the board of education, superintendent, or other administrator identifies poor performance or conduct that may lead to a recommendation for dismissal or nonreemployment of a teacher, the evaluator who has responsibility for evaluation of the teacher shall be informed and shall admonish the teacher as described above. If the evaluator fails or refuses to admonish the teacher within ten (10) days after being informed of the problem, the board, superintendent or other administrator who identified the problem shall admonish the teacher.
- iii. If the teacher does not correct the poor performance or conduct cited in the admonishment within the time specified, the admonishing official shall make a recommendation to the superintendent for the teacher's dismissal or nonreemployment. The superintendent shall furnish a copy of the recommendation to the board of education.
- iv. The District will not prohibit, or take disciplinary action against, a teacher for:
  - a. Disclosing public information to correct what the teacher reasonably believes evidences a violation of the Oklahoma Constitution or law or rule promulgated pursuant to law;
  - b. Reporting a violation of the Oklahoma Constitution, or state or federal law; or

Education, law enforcement official, district attorney and/or parent or legal guardian of a student directly impacted by the actions.

The District may discipline any teacher who violates a student or parent/legal guardian's confidentiality rights and protections pursuant to the Family Educational Rights and Privacy Act (FERPA) and any other state or federal law which requires confidentiality of information concerning students.

### 3. Procedures for Dismissal or Nonreemployment

#### A. Commencement of Action

- i. Whenever the superintendent determines that cause exists for a district teacher's dismissal or nonreemployment, the superintendent shall submit a written recommendation to the board of education. The recommendation shall state the specific ground(s) (statutory grounds, in the case of a career teacher) and specify the underlying facts on which the recommendation is based.
- ii. In the absence of a recommendation from the superintendent pursuant to this section, or when the board of education chooses not to accept the superintendent's recommendation as to reemployment of a teacher, the board may initiate dismissal or nonreemployment action without a recommendation provided that it adheres to the other provisions of this policy and that the corrective action procedures, if applicable, have been followed.

#### B. Suspension

Whenever the superintendent believes cause exists for a teacher's dismissal and that the immediate suspension of the teacher would be in the best interests of students, the superintendent, or the board of education on the recommendation of the superintendent, may suspend the teacher without notice or hearing. The suspension shall not deprive the teacher of any teaching compensation or other benefits to which he/she would otherwise be entitled under the teaching contract or law. Within ten (10) days after the suspension becomes effective, the board of education shall initiate a hearing for dismissal pursuant to this policy. However, in a case involving a criminal charge or indictment, such suspension may extend to such time as the teacher's case is finally adjudicated, except such extension shall not include any appeal process.

#### C. Notice and Hearing

- i. Prior to taking action to dismiss or nonreemploy a teacher, the board clerk or designee shall deliver a copy of the recommendation (or comparable statement of the grounds and underlying facts if the board is acting on its own volition) and notice of hearing rights to the affected teacher. The notice shall contain the date, time, and location of the hearing and shall be delivered by (i) certified mail, restricted delivery, return receipt requested; (ii) personal delivery, with a signed

acknowledgment of receipt from the teacher; or (iii) process server. Delivery must be made to the teacher prior to the first Monday in June for a nonreemployment. The hearing shall be held between 20 and 60 days from the teacher's receipt of the hearing notice.

- ii. The teacher hearing before the board of education shall be conducted pursuant to procedures established by the State Department of Education. In the absence of or to the extent not inconsistent with those procedures, the hearing shall be conducted as prescribed in the paragraphs below.
- iii. The hearing shall commence with a statement to the teacher of the teacher's rights at the hearing. Following this statement, the school administration shall present facts showing the cause for the teacher's dismissal or nonreemployment. The teacher shall then have the right to present the teacher's side of the matter. After both the school administration and the teacher have fully presented their respective positions, the board of education shall deliberate on the evidence regarding the teacher's dismissal or nonreemployment in executive session.
- iv. At the hearing, the teacher shall be entitled to be represented by counsel, to cross-examine witnesses presented by the school administration, to present witnesses on the teacher's behalf and to present any relevant evidence or statement which the teacher desires to offer. The burden of proof for any dismissal or nonreemployment shall be on the superintendent (or designee), and the standard of proof shall be a preponderance of the evidence.
- v. After due consideration of the evidence and testimony presented at the teacher's hearing, the board shall vote, in open session, on the following: (1) findings of fact based on the evidence submitted and (2) whether to dismiss or nonreemploy the teacher. The decision shall be made by a majority of the board of education members present at the meeting and shall be final and nonappealable  

The motion to dismiss or nonreemploy the teacher should state the specific cause for dismissal or nonreemployment, although such cause need not be a statutory cause for a probationary teacher.
- vi. The teacher shall be sent notice of the board's decision by certified mail, restricted delivery, return receipt requested, or substitute process. The notice shall state the basis for the board's decision.
- vii. The teacher shall receive any compensation or benefits to which the teacher is entitled until such time as the board's decision is final. If the teacher's hearing is for nonreemployment, and not for dismissal, the teacher's compensation and benefits may continue only until the end of the teacher's current contract.

#### D. Criminal Matters

Whenever the superintendent (or board) makes a recommendation for a teacher's termination based on conduct which could form the basis of criminal charges sufficient to warrant revocation of the teacher's certificate, the superintendent shall forward a copy of the recommendation to the Oklahoma State Department of Education and the teacher at the conclusion of any due process provided to the teacher or upon acceptance of the teacher's resignation.

#### 4. Teachers with a Suspended Certificate

A teacher whose certificate has been suspended by the State Board of Education pursuant OKLA. STAT. tit. 70, Section 3-104 and OKLA. STAT. tit. 75, Sections 314 and 314.1 shall be placed on paid suspension while proceedings for revocation or other action are pending before the State Board of Education. During the time the teacher's certificate is suspended, the District may initiate due process procedures in accordance with OKLA. STAT. tit. 70, Section 6-101.20 *et. seq.*

**REDUCTION IN FORCE  
CERTIFIED TEACHING PERSONNEL**

I. General Matters

- A. Reasons for a Reduction in Force. A teacher may be dismissed or nonreemployed when the board decides that due to (i) a financial exigency or (ii) a program change for institutional reasons or (iii) a decline in enrollment or (iv) other business necessity as determined by the board, a reduction in teaching staff is necessary.
- B. Definitions. For the purpose of this policy, the following terms have the stated meanings:
1. "Financial exigency" means a reduction in the school district's financial resources resulting from declining enrollment or any other action or event that in the sole judgment of the board of education will result in a reduction in the school district's current or future operating budget.
  2. "Program change" means any elimination, curtailment or reorganization of a curriculum offering, program or school operation or a reorganization or closing of a school or consolidation of two or more individual schools or school districts that is unrelated to financial exigency.
  3. "Declining enrollment" means a decrease in the school district's total enrollment or enrollment in a particular program or curriculum offering which in the sole judgment of the board of education may adversely affect the school district's current or future allocation of funds and/or the necessity of maintaining certain current or future class sections or curriculum offerings.
- C. Criteria for Eliminating Positions. The primary criterion in effectuating any reduction in force shall be the maintenance of a sound and balanced educational program that is consistent with the functions and responsibilities of the school district. In evaluating its program, the superintendent and the board will consider the elimination of teaching positions, not the teachers occupying those positions. In deciding which positions to eliminate, the superintendent and the board will consider the curriculum, the needs of students and those extra duty assignments that require special skill or expertise.
- D. Priority. In determining which teacher(s) will be dismissed or nonreemployed when one or more of a number of identical positions is eliminated, the following criteria, **in this order**, shall govern:

1. The school district will dismiss or nonreemploy the teacher(s) who has the lowest composite rating under the school district's Teacher and Leader Effectiveness Evaluation System (TLE) in the position being eliminated. Ratings will be calculated by averaging the past three (3) years' ratings (or fewer if 3 years are not available) and will be measured to the nearest hundredth of a decimal point.
  2. If the teachers are equal under the above criteria, then the teacher(s) who has the most seniority in the school district will be retained.
  3. If the teachers are equal under the above criteria, then the school district will retain the teacher(s) who currently holds a contracted extra duty assignment, IF, after the reduction in force, that teacher will continue to be assigned such extra duty assignment.
  4. If no contracted extra duty assignment exists, the school district will retain the teacher who meets any federal requirements, such as "highly qualified" under No Child Left Behind, for the courses assigned to that teacher.
  5. If the teachers are equal under the above criteria, the school district will retain the teacher with the most advanced academic degree status.
  6. If degree status is equal, the school district will retain the teacher having the most versatile certificate in order to enable the school district to have flexibility in planning future curriculum.
  7. If versatility of certificates is equal, the school district will retain the teacher chosen by lot through a process determined by the superintendent or the superintendent's designee.
- E. Bumping. If a teacher's position is eliminated and the teacher scheduled to be dismissed or nonreemployed (after going through the criteria in section "D" above) has a composite TLE score of effective or above, then in the administration's sole discretion, that teacher may be placed in another position for which the teacher is certified to teach, if the other position is currently held by a teacher who has a composite TLE score that is below effective. Under those circumstances, the teacher with the TLE composite below effective will be dismissed or nonreemployed. If two (2) or more teachers in a specific position have the same composite scores, then the process of section (D) will be used to determine who is dismissed or nonreemployed.
- F. Adult Education Teachers. The dismissal and nonreemployment provisions of the Teacher Due Process Act of 1990 do not apply to adult education teachers. Accordingly, adult education teachers are not covered by the protections of this policy and, unless otherwise required by law, are subject to a reduction in force without notice and without compliance with this policy.

## II. Procedures

- A. Action by Superintendent. The superintendent, upon receipt of the board's preliminary determination of the necessity for a reduction in force, or upon the superintendent's own volition, shall submit to the board the superintendent's written recommendations for terminating particular teaching positions. In making recommendations, the superintendent (i) shall not be limited to considering only positions in the areas or programs designated by the board and (ii) shall consult with each principal or other administrator in whose school or unit a position elimination/termination is proposed and (iii) shall take into consideration the criteria set out herein.
- B. Action by Board. In the absence of a recommendation from the superintendent pursuant to this section, or when the board of education chooses not to accept the superintendent's recommendation, the board may initiate action without such recommendation provided that it adheres to the other provisions of this policy.
- C. Notice and Hearing Procedures. Prior to taking any action to nonreemploy or dismiss a teacher due to a reduction in force, whether acting on a recommendation of the superintendent or on its own volition, the board shall provide notice and an opportunity for hearing to the affected teacher; provided, however, because the law does not provide nonrenewal hearings for teachers on temporary contracts, no hearing opportunity shall be afforded any teacher on a temporary contract with notice of the expiration of the temporary teacher's contract at the end of the school year being provided to the temporary teacher. The notice and board hearing procedures shall be the same as those provided by Oklahoma law and board policy regarding dismissal and nonreemployment of teachers for cause. Notice of a recommendation of nonreemployment shall be given to the teacher prior to the 1<sup>st</sup> Monday in June.
- D. Hearing. At the hearing, evidence may be presented by the administration and the teacher, as to (i) whether a reduction in force is reasonably necessary and is being made in good faith and for the best interests of the school district and (ii) whether the recommendation to not renew (or dismiss) the specific teacher is being made in good faith and pursuant to the process set out herein.
- E. Effect of Board Decision. The decision of the board based on the evidence presented at the hearing shall be final and unappealable.

## III. Reemployment or Other Employment After Reduction in Force

- A. Recall. The recall provisions in this process will only apply and be available to a teacher who had a composite TLE score of at least effective at the time of his/her nonreemployment (or dismissal). For one school year after the effective date of nonreemployment (or dismissal) due to a reduction in force, the board of education shall not fill the specific position previously held by a teacher who was nonreemployed (or dismissed) due to a reduction in force without first offering such position to the nonreemployed (or dismissed)

teacher. If more than one nonreemployed (or dismissed) teacher is both certified and qualified for a position which the teachers previously held with the school district and which becomes available, the board, after receiving the superintendent's advice, shall select the teacher it believes will best fill the position. Nothing in this policy shall give to any nonreemployed (or dismissed) teacher priority rights to fill a vacancy which becomes available and for which they are certified and qualified unless such position is identical to the position which they previously held with the school district.

- B. Recall Procedures. The offer of reemployment shall be made personally or by certified mail, return receipt requested, and the teacher shall be notified that if he/she wishes to accept, he/she must do so in writing within five (5) calendar days of receipt of notice or within ten (10) calendar days of the postmark on the envelope in which the offer is mailed, whichever is shorter. Failure to receive timely acceptance of the offer of reemployment eliminates all reemployment rights of the teacher.
- C. Status After Recall. A career teacher who has been nonreemployed (or dismissed) and who is then reemployed within one school year shall be reinstated as a career teacher. A probationary teacher who is nonreemployed (or dismissed) but is then reemployed within one school year shall be given credit for the time already served as a probationary teacher for the purpose of determining eligibility for career teacher status.

#### IV. Interpretation and Application

The interpretation and application of any provision of this policy shall be the exclusive province of the board of education.

**RESIGNATION OF CERTIFIED PERSONNEL**

Resignations must be dated and submitted in writing to the superintendent stating the effective date of resignation. Equivocal resignations will not be accepted. A resignation to be effective at the conclusion of a school year must be received prior to fifteen days after the first Monday in June. A resignation to be effective at any other time or to be effective at the conclusion of the school year but received after fifteen days after the first Monday in June does not sever the employment relationship for the subsequent school year unless and until approved by the board.

Resignations offered during the course of the school year will not be accepted unless the superintendent determines that arrangements can be made to avoid a detrimental impact on efficient operation of the school and the board of education concurs.

A resignation may not be withdrawn after it has been accepted by the superintendent and will be considered irrevocable from that date.

Upon receipt of a written resignation from a certified employee the superintendent shall:

1. Make a record of the date upon which the written resignation was submitted either by reference to a certified mail receipt or by writing on the face of the resignation the date of receipt and his/her initials.
2. If the written resignation is to be effective at the conclusion of the current school year and it is received prior to fifteen days after the first Monday in June, notify the employee that their resignation is accepted.
3. If the written resignation is to be effective at any time other than the conclusion of the current school year or to be effective at the end of the school year but is not received until after fifteen days after the first Monday in June, notify the employee that his/her resignation will be considered by the board of education.
4. Place upon the agenda of the next board of education meeting an agenda item for consideration and action on the resignation received.

The board of education may accept or decline to accept the resignation of a certified employee. A copy of the notice will be included in the employee’s personnel file.

The plan and coaching will be developed and implemented based on sound educational practices in conjunction with the unique circumstances affecting the teacher.
